

Agenda

Stakeholder Advisory Group

The purpose of this meeting is to:

1. provide members with a more detailed appreciation of the technical studies currently being undertaken including the erosion and storm tide studies including some preliminary findings
2. describe the next stages in the development of the Strategy including the risk assessment process
3. discuss the findings from the first round of stakeholder engagement
4. discuss what the *Our Coast – Our Lifestyle* (Coastal Hazard Adaptation) Strategy might look like.
